Re: Energex Wall Systems

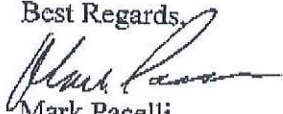

Dear Dan:

This letter is to advise you that after testing the Securock Board manufactured by USG and applying the Energex EIFS System to the board, we are pleased to advise you that Energex will warranty an application of the Energex EIFS Systems over your Securock Sheathing for a period of 15 years provided the system is installed by an Energex Certified Applicator in accordance with Energex specifications and details.

Dan, in addition, I've attached a letter which I just emailed to Alberto Britton in S. Florida for his dealings with Brazil.

The sample of Energex over the Securock Sheathing was sent out to you last week. Please let me know your thoughts when you receive.

Best Regards,

Mark Pacelli
National Sales Manager
