

5/15/2009

Mr. Dan Collins  
SHEETROCK® Brand Products and Systems Manager  
550 West Adams St  
Chicago, IL 60661

This is to confirm that after testing and evaluation of USG's Securock Glass Mat Sheathing, it is an acceptable sheathing in Accent EIFS and for direct coatings applications over soffits.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Carson Wilke".

Carson Wilke  
Director, Technical Services  
Rydar Inc.
