Gregg Scharrer
USG

Gregg,

We have tested your Securock Glass-Mat Sheathing Board with our Air Barrier products. Air-Shield (after priming with Mel-Prime W/B and Mel-Prime VOC primer), Air-Shield LM, Air-Shield LM All Season, and Air-Shield LMP were compatible with the board, and excellent adhesion was obtained.

We have also tested our Air-Shield Joint Filler with your board. The products are compatible and excellent adhesion was obtained.

Respectfully yours,
W.R.Meadows,Inc

Richard Frier
