## **USG Corporation Announces Early Results of Cash Tender Offer for \$500 Million Principal Amount of 7.75% Senior Notes Due 2018**

CHICAGO--May 12, 2017-- USG Corporation (NYSE: USG) (“USG”) today announced the early results of the previously announced cash tender offer (the “Tender Offer”) for any and all of its outstanding 7.75% Senior Notes due 2018 (the “Notes”). The Tender Offer is being made on the terms and subject to the conditions set forth in the Offer to Purchase dated May 1, 2017 (the “Offer to Purchase”) and the related Letter of Transmittal (the “Letter of Transmittal”). The Tender Offer is scheduled to expire at 11:59 p.m., New York City time, on May 26, 2017, unless extended or earlier terminated as described in the Offer to Purchase (such time and date, as the same may be extended, the “Expiration Time”).

As of 5:00 p.m., New York City time, on May 12, 2017 (the “Early Tender Time”), according to Global Bondholder Services Corporation (“GBS”), the Depository and Information Agent in connection with the Tender Offer, tenders were received from holders of Notes and not validly withdrawn as outlined in the following table:

<u>Title of Security</u>	<u>CUSIP Number/ISIN</u>	<u>Principal Amount Outstanding</u>	<u>Principal Amount Tendered</u>
7.75% Senior Notes due 2018(a)	903293AS7/ US903293AS74	\$500,000,000	\$192,554,000

(a) The 7.75% Senior Notes currently have an effective interest rate of 8.25%. The rate is subject to an adjustment of up to 2% if the debt rating is downgraded or subsequently upgraded by Moody’s Investors Service and Standard & Poor’s Global Ratings.

Subject to the terms and conditions of the Tender Offer, holders of Notes who validly tendered and did not withdraw their Notes at or prior to the Early Tender Time will be entitled to receive \$1,044.30 per \$1,000 principal amount of Notes tendered, which includes the early tender premium of \$30.00 per \$1,000 principal amount of Notes tendered (the “Early Tender Premium”). Holders of Notes who validly tender their Notes after the Early Tender Time but at or prior to the Expiration Time will be entitled to receive \$1,014.30 per \$1,000 principal amount of Notes tendered, subject to the terms and conditions of the Tender Offer, and will not be entitled to receive the Early Tender Premium.

In addition, holders whose Notes are accepted for purchase in the Tender Offer will be entitled to receive accrued interest up to, but not including, the applicable settlement date of the Notes, payable in cash. Payment for Notes tendered at or prior to the Early Tender Time is expected to be May 15, 2017 (such acceptance and payment, an “Early Settlement”). Payment for Notes validly tendered after the Early Tender Time but at or prior to the Expiration Time and accepted for purchase will be made promptly after the Expiration Time.

Withdrawal rights with respect to the Notes tendered expired at 5:00 p.m., New York City time, on May 12, 2017, and holders who validly tender Notes after the Early Tender Time do not have withdrawal rights.

The Tender Offer is subject to the satisfaction or waiver of a number of conditions as set forth in the Offer to Purchase, including the receipt by USG of proceeds from a proposed debt financing on terms reasonably satisfactory to USG, in its sole discretion, generating net proceeds in an amount that USG deems sufficient, together with cash on hand, to effect the repurchase of the Notes validly tendered and accepted for purchase pursuant to the Tender Offer, including payment of any premiums, Accrued Interest (as defined in the Offer to Purchase) and costs and expenses incurred in connection therewith. If USG proceeds with an Early Settlement, all conditions to the Tender Offer will be deemed to be waived, and USG will thereafter accept for purchase and pay for any Notes validly tendered in the Tender Offer

To the extent that any Notes are not validly tendered in the Tender Offer, USG intends to redeem such remaining Notes pursuant to the redemption provisions of the indenture governing the Notes at the “make-whole” redemption price specified for the Notes, plus accrued and unpaid interest, if any, to, but not including, the redemption date. USG intends to deliver an irrevocable notice of redemption to the trustee at the completion of the debt financing. However, no assurance can be given that such untendered Notes will be redeemed as contemplated or at all.

USG has retained Wells Fargo Securities, LLC to serve as dealer manager for the Tender Offer. USG has appointed GBS to serve as the depository and information agent for the Tender Offer.

None of USG, its board of directors, the dealer manager, GBS or the trustee for the Notes, or any of their respective affiliates, is making any recommendation as to whether Holders should tender any Notes in response to the Tender Offer. Holders must make their own decision as to whether to tender any of their Notes and, if so, the principal amount of Notes to tender. Documents for the Tender Offer, including the Offer to Purchase and the related Letter of Transmittal, are available at [www.gbsc-usa.com/USG/](http://www.gbsc-usa.com/USG/), and may also be obtained by contacting GBS by telephone.

This announcement is for informational purposes only and does not constitute an offer to buy or the solicitation of an offer to sell securities. The Tender Offer is being made solely by means of the Offer to Purchase and the related Letter of Transmittal. The Tender Offer is not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction. In those jurisdictions where the securities, blue sky or other laws require any tender offer to be made by a licensed broker or dealer, the Tender Offer will be deemed to be made on behalf of USG by the dealer manager or one or more registered brokers or dealers licensed under the laws of such jurisdiction.
