USG CORPORATION RECOGNIZES HALVOR LINES AS CARRIER OF THE YEAR

Transportation Partner Honored for Excellent Operations

CHICAGO – Aug. 7, 2017 – USG Corporation (NYSE:USG), an industry-leading manufacturer of building products and innovative solutions, named Halvor Lines its 2016 Carrier of the Year. The Carrier of the Year award recognizes a transportation partner that has gone above and beyond to service USG’s manufacturing facilities and distribution centers in the U.S.

“We’re pleased to recognize Halvor Lines as USG’s Carrier of the Year,” said Al Zucco, head of Sustainable Supply Chain for USG Corporation. “They have become an integral part of the USG experience for employees and customers, partnering with us for more than 30 years to ensure our products are delivered safely and on time.”

USG has awarded transportation companies Carrier of the Year for five years to recognize those that provide superior shipping services. Carriers are evaluated on equipment standards, technology, safety and load tender response time.
