## NEWS RELEASE

### **USG CORPORATION NAMED PARTNER OF THE YEAR BY THE HOME DEPOT**

*Recognized for Excellence in Collaboration, Innovation and Commitment to Customers  
and In-Store Associates*

**CHICAGO** – USG Corporation (NYSE:USG), an industry-leading manufacturer of building products and innovative solutions, was selected as a 2017 Supplier Partner of the Year by The Home Depot.

This award honors USG’s efforts in The Home Depot’s Building Materials department, including customer service, product quality, fill rate, delivery times and innovation.

“For more than 30 years, USG has partnered with The Home Depot to provide innovative building products that create a stronger, safer, more sustainable world,” said Matt Byrne, head of sales, North America, for USG Corporation. “We work hard to be the easiest company to do business with, and this award acknowledges our longstanding commitment to putting our customers first.”

This year marks the fourth time USG has won this award in the United States. USG was selected by The Home Depot’s merchandising team and received this award at the company’s annual Supplier Partnership Meeting on Oct. 4, 2017.

#### **About USG Corporation**

USG Corporation is an industry-leading manufacturer of building products and innovative solutions. Headquartered in Chicago, USG serves construction markets around the world through its United States Gypsum Company and USG Interiors, LLC subsidiaries and its international subsidiaries, including its USG Boral Building Products joint venture. Its wall, ceiling, flooring, sheathing and roofing products provide the solutions that enable customers to build the outstanding spaces where people live, work and play. Its USG Boral Building Products joint venture is a leading plasterboard and ceilings producer across Asia, Australasia and the Middle East.
