CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: July 2018

Void After: July 2019

Product: Tileable Shower Receptors and Shower Kits

File No. 8312

Issued To: US GYPSUM CO.
550 West Adams Street
Chicago, IL 60661-3676

Identification: Each tileable shower receptors and shower kit shall be marked with the manufacturer's name or trademark or, in the case of private labeling, the name of the customer for whom the product was manufactured. Markings shall be permanent, legible, and visible after installation but before installing the coverings. Shower receptors and shower kits that use installer-supplied membranes or coatings shall have a non-permanent label stating "Do not install this shower receptor or shower kit without the appropriate waterproof membrane liners or coatings". The product shall also bear the cUPC® certification mark.

Characteristics: Prefabricated, tileable shower receptors; and tileable and pre-tiled shower kits intended to be assembled in the place of final installation. To be installed in accordance with the manufacturer's installation instructions and the requirements of the latest edition of the Uniform Plumbing Code and National Plumbing Code of Canada.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
