FEATURES AND BENEFITS
• Creates free-form ceiling islands or fascias to define space and provide visual impact.
• Available in variable trim heights.
• Costs a fraction of conventional drywall soffit construction.
• Made to order; arrives on-site pre-engineered.
• Strong, durable and long-lasting steel or aluminum construction.
• Fits all USG ceiling systems.

APPLICATIONS
• Contemporary offices
• Entertainment
• Gaming
• High-bay areas
• Retail spaces
