

Design Solutions are a pre-engineered product to help expedite availability. All products are made to order and shipped within 8 weeks from order confirmation (up to 2500 sq ft). For orders over 2500 sq ft. a representative will contact you to verify availability and 8 week turn around time. Selecting options not shown will result in a full estimate process and require project lead times provided by USG/Ceilings Plus project and engineering groups.

Product Identification

*Each Cassette comes factory assembled with barz, backslats, and endcaps. Torsion springs are supplied and shipped loose.
