

DESIGN SOLUTIONS

HIGH DESIGN SHORT LEAD TIME™

Design Solutions is a suite of standard, made-to-order versions of our custom Ceilings Plus® products.

Specify high-design aesthetics without incurring custom-design prices or lead times.

01—CREATE

Use the Design Studio to create your own layout or download 3D models to preview on your CAD software.

02—ORDER

Complete a simple checklist to choose dimensions, finishes, and other parameters. In 8 weeks or less, your built-to-order kit ships to your job site.

03—INSTALL

The pre-engineered units are easy to field-modify, allowing for a perfect fit without sacrificing quality or aesthetics.
