

DESIGN SOLUTIONS - ILLUSIONS® - CHECK SHEET

8 Week LeadTime

Design Solutions are a pre-engineered product to help expedite availability. All products are made to order and shipped within 8 weeks from order confirmation (up to 2500 sq ft). For orders over 2500 sq ft. a representative will contact you to verify availability. Selecting options not shown will result in a full estimate process and require project lead times provided by USG/Ceilings Plus project and engineering groups.

Product Identification																																																															
Product Name (I=Illusions)	Part Type (PA=Panel)	Dimension 2424=24" x 24"	Finish (BM=Blanco Mat)	Acoustic Options (UI=Ultrasorb Infill)	Perforation (SD7=Perf Number)																																																										
<div> <div>I</div> <div>PA</div> <div>2424</div> <div>BM</div> <div>UL</div> <div>SD7</div> </div>																																																															
Panel Selection	Design #	Panel Profiles	Sale Unit	Quantity Needed																																																											
*Each Panel comes factory assembled with hinge brackets (for torsion spring attachment). Perforated panels come with pre-installed acoustic material when specified. Torsion springs are supplied and shipped loose. Additional profiles & lengths are available. Please contact your local sales rep for pricing and lead times.	IPA2424 Panel Size: 24" x 24" x 1-1/2"		Per Panel Min Order - 10 Panels																																																												
	IPA2448 Panel Size: 24" x 48" x 1-1/2"		Per Panel Min Order - 10 Panels																																																												
	IPA2496 Panel Size: 24" x 96" x 1-1/2"		Per Panel Min Order - 10 Panels																																																												
	IPA3030 Panel Size: 30" x 30" x 1-1/2"		Per Panel Min Order - 10 Panels																																																												
	IPA3060 Panel Size: 30" x 60" x 1-1/2"		Per Panel Min Order - 10 Panels
