USG
IT'S YOUR WORLD. BUILD IT.®

USG DUROCK™ LSP™ LIQUID SURFACE PROFILER

USG introduces a completely dust-free alternative to grinding and shot blasting.

- No respirable dust or silica
- Easy to use; up to 50% faster than mechanical preparation methods
- Achieves a CSP of 1-3 in one application
- Cleans & profiles concrete for indoor, outdoor, horizontal, above- and below-grade applications

For more information, see *USG Durock™ Brand LSP™ Liquid Surface Profiler Submittal* (CB5246) at usgperformanceflooring.com.
