USG Durock™ Quik-Top™ White Series Self-Leveling Underlayment LP FR FR
USG Durock™ Speed™ Series Self-Leveling Underlayment LP FR
USG Durock™ UltraCap™ Self-Leveling Underlayment LP
USG Durock™ UltraDry™ Self-Leveling Underlayment* LP PT

- **Low Prep Product** Mechanical preparation is not required for most installations. Simply clean, prime and pour.
- **Fiber-Reinforced (FR) Underlayments** Cost-effective reinforcement solutions provide a smooth surface with improved impact resistance, enhanced crack reduction and further propagation reduction, and improved load distribution.
- **Fast Track** Products designed to provide quick return to service.
- **UL Classified** For use in 130+ fire-rated assemblies. All USG 1- and 2-hour rated floor assemblies are designed to meet the International Building Code (IBC) and feature USG Levelrock® and USG Durock™ gypsum-based underlayments and floor patches.
- **Pro** For large scale projects, these products add approved sand onsite, creating less waste and yielding significant savings.

**Note** *USG Durock™ UltraDry Self-Leveling Underlayment may be stained, but not polished.

**CONTACT**
Additional systems are available to address mission critical projects. Contact your USG or Seal-Krete High Performance Representative for more information.
