

Floor Protector Paper

APPLICATION/BENEFITS

- Heavy-duty, durable paper for all interior finished floor protection needs, including dirt, spills, scratches, and heavy foot traffic
- 100% recycled paper
- White surface, no roll-back memory
- Non-staining even when wet

RECOMMENDED USE

- Meets Tile Council of North America (TCNA) field installation guidelines for protecting new tile work
- Use as a scribing felt for vinyl floor layouts or as a countertop template for granite or ceramic tile
- Use instead of rosin paper
