- USG Levelrock® Brand and USG Durock™ Brand Gypsum Underlayments
- USG Durock™ Brand X2 Primer-Sealer
- XL Brands® Manufactured Adhesives
- Exclusive 10-Year Limited System Warranty
Concrete specs have met their match. The extraordinary team of USG Levelrock® Brand and USG Durock™ Brand gypsum underlayments, USG Durock™ Brand X2 Primer-Sealer and XL Brands® adhesives now can effectively fulfill concrete spec requirements for interior installations.

Backed by a 10-year system warranty, USG/XL Brands Stronger Than Concrete™ Floor Systems are changing the industry by going where Portland cement (PC) and calcium aluminate cement (CAC) were once the only options.

STEP 1
USG Levelrock and USG Durock™ Gypsum Underlayments
A strong foundation is the first step. USG Levelrock and USG Durock™ gypsum underlayments physical attributes are equal to or exceed PC and CAC products in interior applications. USG Levelrock and USG Durock™ gypsum underlayments:
- Are stronger – most products exceed conventional concrete’s compressive strength
- Are more economical
- Are easier to use
- Provide better flow characteristics
- Offer more applications

STEP 2
USG Durock™ X2 Primer-Sealer
Next, the innovative synergism between USG Durock™ X2 Primer-Sealer and USG Levelrock and USG Durock™ gypsum underlayments provide superior bond-enhancement. Designed specifically for use over USG Levelrock and USG Durock™ gypsum underlayments, the ready-mix proprietary polymers formula is alkali- and water-resistant and contains XL Brands®’ MicroSept™ Antimicrobial System for exceptional resistance to mold and bacteria.

USG Durock™ X2 primer-sealer may also be used to prime concrete and wood subfloors prior to application of USG Levelrock or USG Durock™ gypsum underlayments. This exceptional primer-sealer is Carpet & Rug Institute (CRI™) Green Label Plus approved and FloorScore® certified; non-flammable and its VOC content is compliant with California SCAQMD Rule 1168. In addition, USG Durock™ X2 primer-sealer comes in an EcoPure™ treated biodegradeable pail.
**STEP 3**

**XL Brands Adhesives**

The final step in the Stronger Than Concrete floor system is to use the highest quality floor adhesive. XL Brands adhesives are manufactured to exacting standards and formulated to perform for specific uses. Most XL Brands adhesives carry Indoor Air Quality certifications from CRI Green Label Plus and FloorScore, pass California Section 01350 and SCAQMD Rule #1168 standards, and may also qualify for LEED® credits as part of a flooring system.

When used with a USG Levelrock or USG Durock™ gypsum underlayment sealed with USG Durock™ X2 Primer-Sealer, XL Brands manufactured flooring adhesives qualify for the 10-year limited system warranty. As the largest private label floor-covering adhesive manufacturer, it is likely your preferred adhesives are an XL Brands manufactured product. For more information, contact your adhesive distributor.

---

**Exclusive 10-Year Limited System Warranty**

A 10-year limited system warranty applies when using a USG Levelrock or USG Durock™ gypsum underlayment sealed with USG Durock™ X2 primer-sealer and a XL Brands manufactured adhesive. When used in a non-system application, USG Durock™ X2 primer-sealer has a one-year limited warranty. Please contact USG for further details.
